Project Name	Project - Smart Waste Management system foe Metropolitan cities
Maximum Marks	2 Marks

IBM Cloud service

The screenshot displays the IBM Cloud dashboard interface. At the top, there is a dark navigation bar with a search bar, 'Catalog', 'Manage' dropdown, and the user's name 'Muthumari murugan's A...'. Below this is a light gray header with a dropdown menu, 'Edit dashboard' link, 'Upgrade account' link, and a prominent blue 'Create resource +' button. The main content area features a grid of service tiles. The first tile is 'Set up your IBM Cloud account' (10 min). The second is 'Get Started with Watson Studio' (2 hr). The third is 'Build a web app with Watson Speech to Text' (15 min). The fourth is 'Build a virtual machine' (7 min). The fifth is 'Build a VPC'. A 'News' section at the bottom highlights 'IBM Adds Lifecycle Services to Enterprise Networking and Deepens Strategic Partnership with Cisco'. A 'Planned maintenance' section is also visible. The bottom right corner shows a chat icon and the date '14/10'.
